## 13 DAY KIMBERLEY EXPLORER

### Itinerary

#### DAY 1 BEAGLE BAY, ONE ARM POINT & THE BUCCANEER ARCHIPELAGO

The Dampier Peninsula is an extraordinary blend of pristine beaches and dramatic coastlines, rich in traditional Aboriginal culture. Travelling up the red 4WD track, learn about the region's fascinating history from our guided commentary. Our first stop is the Beagle Bay Community, home of the Beagle Bay Church with its glimmering pearl shell altar, for morning tea. Soon we arrive at the One Arm Point Community, perched on the tip of the Dampier Peninsula, to visit the Community's aquaculture hatchery, complete with barramundi, pearl and trochus shell. After a hatchery tour join Kevin, our local guide from the Ejai family, traditional owners of Jackson Island, at the family's beach 'bali'. Enjoy fresh damper cooked over the fire while Kevin shares the traditions, lifestyle and culture of his family. After lunch we head for the Cygnet Bay Pearl Farm. In 1946 Dean Brown skippered a rickety wooden lugger into an unknown frontier to discover this hidden paradise: his descendants continue to operate what is now the oldest Pearl Farm in Australia. Embark an extraordinary cruise through the Islands of the Giant Tides to experience the remarkable tidal flows of King Sound. In the evening we relax round a fire in our own private camp. (LD)

#### DAY 2 CYGNET BAY PEARL FARM, KOOLJAMAN & CAPE LEVEQUE

This morning a knowledgeable local guide will demonstrate a pearl harvest, providing a glimpse into this fully operational pearl farm. Discover how they cultivate some of the most sort after and beautiful pearls in the world and enjoy an in-depth pearl grading and appreciation session that will leave you feeling like a pearl expert! Mid morning we depart for beautiful Kooljaman at Cape Leveque. You may like to head off for a swim, or take one of the lovely walks in the area to explore the rugged red coastline for which Cape Leveque is famous. Driving back through the dusk, keep an eye out for wildlife before arriving at the Kimberley Traveller's Lodge at approximately 6.30pm. (BLD)

#### DAY 3 TUNNEL CREEK

As we travel through the remote and beautiful Kimberley landscape, our guide shares stories of local history, people and the environment. Enjoy a morning tea break by the Fitzroy River and visit the Derby 'Boab Prison Tree' before we hit the Gibb River Road. Visit the fascinating Mowanjum Aboriginal Art & Cultural Centre for an insight into the culture of the

Worrorra, Ngarinyin and Wunumbal tribes and their supreme spirit being, the Wandjina. The afternoon is devoted to exploring Tunnel Creek, with our local Bunuba guide. In this 750-metre cave system carved through the Napier Range, we discover stalactites, secret caves and a large variety of wildlife. It is here we also learn the legend of Jandamarra, an Aboriginal freedom fighter who used the tunnel as a hide-out in the late 1800's. Don't miss a refreshing swim in an idyllic waterhole. That night we settle into our first night under the Kimberley night sky. (BLD)

#### DAYS 4-5 WEST KIMBERLEY GORGES

The Napier Range is over 350 million years old and home to the geological wonder of Windjana Gorge. Beneath gorge walls rising 90m, we spend the morning searching for freshwater crocodiles, local birdlife and indigenous bush tucker. In the afternoon we head off for Bell Gorge, a hidden highlight of the West Kimberley. This idyllic retreat, considered amongst the most beautiful in the area, boasts cascading waterfalls and crystal clear pools formed over millions of years – an easy place to while away a few hours! Spend the next day swimming in paradise: further up the Gibb River Road, we discover the cool waters of water lillie-laden Galvins Gorge and stunning Adcock Gorge. Amid the rugged beauty of Manning Falls we swim in deep clear waters, relax, explore wandering streams, uncover local wildlife and take a dip in the waterfall pools. Overnight we camp by a billabong on Mt Barnett Cattle Station. (BLD/BLD)

#### DAYS 6-7 EL QUESTRO WILDERNESS PARK

Our journey up the Gibb River Road continues to the iconic El Questro Wilderness Park. Two nights in our private campsite here allows free time join one or more of the many activities on offer. We include a refreshing dip in the Zebedee Springs and walk into Emma Gorge while a cruise on Chamberlain Gorge, bush tucker walk or bird watching tour are amongst the many optional activities. You may choose to simply explore this beautiful wilderness park at your own leisure. (BLD/BL)

#### DAY 8 KUNUNURRA & LAKE ARGYLE

We emerge from the Gibb River Road for a few hours free time in Kununurra. In the afternoon, travel onto the shores of the expansive Lake Argyle, the heart of the Ord River Irrigation System which has transformed this dry region into a lush agricultural oasis. There is free time to join a sunset boat cruise on the lake (approx AU\$100pp), visit the historic Durack

Homestead Museum or take on one of the many bush trails to explore the area. (B)

#### DAYS 9-10 PURNULULU NATIONAL PARK: BUNGLE BUNGLES

After a leisurely morning, head south down the Great Northern Highway to Purnululu National Park, home of the magnificent Bungle Bungles. Two nights here, staying in our new private Bungle Bungle Safari Camp in the heart of the Park, allows a full day to explore the highlights of this extraordinary National Park, the most famous of which, are the Bungle Bungle domes. Rivers created this landscape of unique orange and black striped 'beehive' geological formations over a period of 20 million years. Unbelievably, only the locals knew it existed until the early 1980's; once discovered by others, the area was made a national park in 1987. We explore Echidna Chasm (2km), known for its towering Livistonia Palm trees, and take a short walk (2-3km) into stunning Cathedral Gorge, where towering rocks create a natural amphitheatre. There is time in the afternoon to take an optional scenic flight and enjoy a birds-eye view of the beehive domes (approx \$400pp, own expense) to put it all into perspective. (BLD/BLD)

#### DAY 11 CHINA WALL & FITZROY CROSSING

Enroute to Fitzroy Crossing, we break the long journey with a visit the gold rush town of Halls Creek to see the remarkable China Wall. We also enjoy lunch at Marys Pool and visit the remote Laarri Aboriginal Art Gallery, before an evening by the Fitzroy River at Fitzroy Crossing. (BLD)

#### DAY 12 GEIKIE GORGE

A morning cruise through the majestic Geikie Gorge is a great start to our last day. Nature carved this wonder through the Geikie and Oscar Ranges during the Devonian geological period. Learn of the fascinating geology of this natural wonder and discover the huge array of wildlife including freshwater crocodiles, birds and fish. Explore Old Fitzroy Crossing and enjoy lunch by the river before we return to Broome in time to enjoy the sunset on Cable Beach. (BLD)

#### DAY 13 BROOME

As the adventure draws to an end, it is time to bid farewell to the Kimberley. If you are departing on a flight today, an airport transfer is included. Alternatively, you may have booked into one of Broome's many resorts for a little luxury following your intrepid experience in the Kimberley wilderness – there is plenty more of Broome to explore! Western Australia is a big state, so travelling significant distances is necessary to fully experience the highlights. You will soon discover that they are well worth the journey.

### FREE Hotel Pick Up

Kimberley Wild offers free pick up from selected hotels in Broome and Darwin, 6.30am - 7.30am. Please advise where you are staying and let us know if there are any changes. We appreciate your patience if we are running a little late. You being there on time will help make sure we are! Have your mobile phone turned on in the morning in case we need to reach you. Call 1300 73 88 70 if you are concerned you have missed pickup.

### Tour Style

This is a Kimberley Expedition: perfect for those seeking to experience the real Kimberley in depth - either with comfortable Camping or making the most of basic upgrades where available on the Camping Plus option.

### Important Notes!

1. It is essential that you call the Kimberley Wild office on 9193 7778, the day prior to departure to confirm pick up, and provide a mobile number for any late notifications.
2. Departures are all subject to regional weather conditions and road closures – usually only a concern in Apr & Oct / Nov.
3. Space in a 4WD is limited so please keep luggage light – bring only essentials in a small soft bag, MAXIMUM 15kg. Suitcases are NOT suitable. Excess luggage must be left in Broome or sent to a forward destination.
4. Due to distances covered, this trip involves early departures on some morning and frequent stops between destinations.
5. Kimberley Wild reserves the right to assess the fitness capability of passengers prior to tour departure.
6. It is your responsibility to advise Kimberley Wild if you have any dietary requirements or medical conditions (including allergies).
7. It is important that travellers participate in setting up camp each night, though the guide can assist where necessary. Kimberley Wild guides also appreciate the assistance of one or two group members in preparing/clearing meals. It is essential that all our groups leave the camps they stay in as they found them for the next travellers - the Kimberley is a pristine wilderness and it is our responsibility to ensure it stays this way.

### Vehicles

4WD tours are operated in custom-built, 21 seat 4WD trucks with a PA system and built-in storage (no risky trailers!). These comfortable, strong remote area vehicles allow our small groups extra space (including standing room), are fully air-conditioned and fitted with adjustable air-vents, reclining seats, map pockets and footrests. It is important that when booking a 4WD outback adventure in the Kimberley, you understand that the roads we travel on can be heavily corrugated. Rest assured, these are the conditions for which our 4WD trucks are designed.

### Power & Phone Reception

Telstra users will get phone reception in most towns and the occasional remote hot spot. There will be long stretches where we are out of phone range. Power points will be accessible on most nights for recharging cameras and other electronic equipment.

### Travel Insurance

It is essential that you have travel insurance that covers medical expenses, including emergency repatriation. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects.

### Alcohol

Alcohol is not provided. Travellers may bring a personal supply from Broome if desired – preferably no glass bottles as wine cannot be purchased in Broome. Enroute, alcohol can be purchased in some locations. Note: alcohol restrictions are in place throughout the Kimberley.

### Climate

The Kimberley has a Wet Season (DEC to MAR) and a Dry Season (APR to NOV). During 'the Wet' most 4WD roads and National Parks are closed. Our tours operate during 'the Dry', when it can get surprisingly cold overnight, depending on where you are – in Broome it can get down to 12°C, while in Purnululu, it can fall as low as 5°C! During the day, we usually enjoy 28 to 30°C. Note: in September and October, as 'the Wet' approaches, temperatures increase accordingly and it can be very hot during the day. It is essential that you are prepared for this – ask our office for advice prior to booking.
