

2019 TRIP NOTES

15 DAY BROOME TO DARWIN

Itinerary

DAY 1 BROOME

You can arrive in Broome at any time today. An airport transfer is included if you advise us of your flight arrival. Spend the afternoon exploring at your leisure: Broome is one of the most interesting outback towns in Australia. From the age of the dinosaurs and the ancient stories of local indigenous people to the region's role in early global exploration and the flourishing south sea pearl industry, this cultural melting pot has many a tale to tell. In the evening, perhaps get to know some of your fellow travellers with dinner and a Welcome Drink, while we prepare for the adventure ahead. (D)

DAY 2 WINDJANA GORGE & TUNNEL CREEK

Departing Broome at 7:00am, travel through the remote and beautiful landscape, as the guide shares stories of local history, people and the environment. Enjoy a morning tea break by the Fitzroy River and visit the Derby 'Boab Prison Tree'. Before long we hit the Gibb River Road, and travel towards the Napier Range. Once a Devonian reef, these mountains are over 350 million years old and home to a diverse array of animals and plants. The perfect place to experience the stunning natural beauty of an outback oasis is the 3.5km geological wonder of Windjana Gorge. Beneath gorge walls rising 90m, we search for freshwater crocodiles, local birdlife and Indigenous bush tucker. After a picnic lunch, the afternoon is spent exploring Tunnel Creek with our local indigenous Bunuba guide, who will share ancient rock art and reveal the legend of his ancestor, Jandamarra, an Aboriginal freedom fighter who used the tunnel as a hide-out in the late 1800's. In this 750-metre cave system carved through the Napier Range, we also discover stalactites, secret caves and a large variety of wildlife. A refreshing swim in an idyllic waterhole is a highlight of the day. Return to Windjana Gorge that evening to camp. (BLD)

DAY 3 SILENT GROVE

The day is devoted to exploring Bell Gorge, a hidden highlight of the West Kimberley. This idyllic retreat, considered amongst the most beautiful in the area, boasts cascading waterfalls and crystal clear pools formed over millions of years – an easy place to while away a few hours! (BLD)

DAY 4 GALVANS GORGE & MT ELIZABETH

En route to the Mt Elizabeth Station Homestead, discover lily-laden Galvans Gorge, and the tranquil retreat of Adcock Gorge, pausing for a refreshing swim. Once

arriving at Mt Elizabeth homestead you will be able to take in the natural beauty and isolation of the property. With creeks, gorges and diverse vegetation, you will be sure to enjoy the view and spend the day well relaxed. (BLD)

DAYS 5-6 THE MITCHELL PLATEAU

Our two day diversion to the majestic Mitchell Plateau is a highlight of the trip. Take on real 4WD country as we travel the rugged Kalumburu Road then turn off onto the Mitchell Plateau Track. After crossing rivers and passing through ancient Livistonia palm forests, we emerge from the savannah and onto the Mitchell Plateau. With two nights camping in the National Park, we trek to Little and Big Merten Falls, take a dip in pristine plunge pools and view Bradshaw rock art. Return to camp on a short helicopter flight for a bird's eye view of this extraordinary landscape. (BLD/BLD)

DAY 7 DRYSDALE STATION

Drysdale River Station is an oasis in the outback. This million acre, family owned and operated cattle station, runs approximately 10,000 head of cattle and lies in the North Kimberley on the Gibb River Road. Hanging out in the true blue Australian outback means you have all the magical scenery and feeling of isolation you could ask for. On arrival you may wish to explore the nearby surroundings or sit back and enjoy a cold drink in the beer garden, warm yourself around the log fire in the cool night air. (BL)

DAYS 8-9 EL QUESTRO WILDERNESS PARK

We continue our journey up the Gibb River Road to the iconic El Questro Wilderness Park. Two nights here allows time to join one or more of the many activities on offer. This could include a refreshing dip in the Zebedee Springs, a trek into El Questro Gorge, Emma Gorge or a cruise on Chamberlain Gorge (own expense). Or simply explore this beautiful wilderness park at your own leisure. (BLD/BL)

DAYS 10-11 PURNULULU NATIONAL PARK: BUNGLE BUNGLES

Head south down the Great Northern Highway to Purnululu National Park, home of the magnificent Bungle Bungles. Two nights here allows a full day to explore the highlights of this extraordinary National Park, the most famous of which, are the Bungle Bungle domes. Rivers created this landscape of unique orange and black striped 'beehive' geological formations over a period of 20 million years. Unbelievably, only the locals knew it existed until the early 1980's; once discovered by

others, the area was made a national park in 1987. We explore Echidna Chasm (2km), known for its towering Livistonia Palm trees, and take a short walk (2-3km) into stunning Cathedral Gorge, where towering rocks create a natural amphitheatre. There is time in the afternoon to take an optional scenic flight and enjoy a birds-eye view of the beehive domes (approx \$400pp, own expense) to put it all into perspective. (BLD/BLD)

DAY 12 LAKE ARGYLE

Returning north we pause in Kununurra en route to the shores of the expansive Lake Argyle, the heart of the Ord River Irrigation System which has transformed this dry region into a lush agricultural oasis. Visit the historic Durack Homestead Museum or take on one of the many bush trails to explore the area. A sunset cruise on the lake is a stunning way to end the day. (BL)

DAY 13 KATHERINE

Continue east along the Victoria Highway and cross the border into the Northern Territory as we travel to the outback town of Katherine, home to the spectacular Nitmiluk Gorge. (BLD)

DAY 14 NITMILUK GORGE & EDITH FALLS

A morning cruise through Katherine (Nitmiluk) Gorge is a great start to our last day. Nitmiluk Gorge is an inspiring natural wonder comprising 13 different gorges, carved over a millennia by the Katherine River. On the Nitnit Dreaming Cultural Cruise, we explore two of these gorges, and discover the customs of the traditional land owners, the Jawoyn people. After the cruise, enjoy a dip in Edith Falls then travel into Darwin, arriving at approximately 6.00pm. (BL)

DAY 15 DARWIN

You are free to depart Darwin at any time today. If you have more time we recommend you join another adventure into Litchfield National Park or Kakadu National Park – or both!

2019 TRIP NOTES 15 DAY BROOME TO DARWIN

Accommodation

On the 15 Day Broome to Darwin, we offer the choice of comfortable Camping or Camping Plus, on which we assist you to make the most of basic upgrades where available: on nights 4, 7, 8, 9 & 12 (look  for the symbol) as follows:

NIGHT 1 BROOME

The Kimberley Traveller's Lodge is close to town and features double or twinshare rooms with shared amenities, a beer garden and a pool. If you are a single traveller on the **Camping** option, you will share a room with a fellow traveller of the same gender.

NIGHT 2 WINDJANA GORGE

Camping in the Windjana Gorge National Park involves dome tents (single/twinshare), swags with fitted sheets & pillows with pillow cases. On site ablutions have hot showers and flush toilets.

NIGHT 3 SILENT GROVE

Camping in the Department of Parks & Wildlife operated 'Silent Grove' Campground involves dome tents (single/twinshare), swags with fitted sheets & pillows with pillow cases. On site ablutions have hot showers and flush toilets.

NIGHT 4 MT ELIZABETH STATION

Camping on the grounds of Mt Elizabeth Station involves dome tents (single/twinshare), swags with fitted sheets & pillows with pillow cases. On site ablutions have hot showers and flush toilets.

Those who have chosen **Camping Plus** will be booked into the private rooms at the Mount Elizabeth Station Homestead. Basic but comfortable, they have twin beds

and shared facilities. Our stay here offers a glimpse into Kimberley cattle station life.

NIGHTS 5 & 6 MITCHELL PLATEAU

Camping in the Department of Parks & Wildlife operated 'Mitchell Plateau' Campground involves dome tents (single/twinshare), swags with fitted sheets & pillows with pillow cases. On site ablutions are basic.

NIGHT 7 DRYSDALE STATION

Itinerary Notes

Fitness Level: Advanced

This itinerary involves some clambering over rocks, wading in water by torchlight, walking on rocky creek beds that are unstable underfoot and ascending/descending into gorges. The ability to swim and a reasonable level of fitness and being sure on your feet is required to participate.

Western Australia is a big state, so travelling significant distances is necessary to fully experience the highlights. You will soon discover that they are well worth the journey.

FREE Hotel Pick Up

Kimberley Wild offers free pick up from selected hotels in Broome and Darwin, 6.30am - 7.30am. Please advise where you are staying and let us know if there are any changes. We appreciate your patience if we are running a little late. You being there on time will help make sure we are! Have your mobile phone turned on in the morning in case we need to reach you. Call 1300 73 88 70 if you are concerned you have missed pickup.

Tour Style

This is a Kimberley Expedition: perfect for those seeking to experience the real Kimberley in depth - either with comfortable Camping or making the most of basic upgrades where available on the Camping Plus option.

Important Notes!

1. It is essential that you call the Kimberley Wild office on 9193 7778, the day prior to departure to confirm pick up, and provide a mobile number for any late notifications.
2. Departures are all subject to regional weather conditions and road closures - usually only a concern in Apr & Oct / Nov.
3. Space in a 4WD is limited so please keep luggage light - bring only essentials in a small soft bag, MAXIMUM 15kg. Suitcases are NOT suitable. Excess luggage must be left in Broome or sent to a forward destination.
4. Due to distances covered, this trip involves early departures on some morning and frequent stops between destinations.
5. Kimberley Wild reserves the right to assess the fitness capability of passengers prior to tour departure.
6. It is your responsibility to advise Kimberley Wild if you have any dietary requirements or medical conditions (including allergies).
7. It is important that travellers participate in setting up camp each night, though the guide can assist where necessary. Kimberley Wild guides also appreciate the assistance of one or two group members in preparing/clearing meals. It is essential that all our groups leave the camps they stay in as they found them for the next travellers - the Kimberley is a pristine wilderness and it is our responsibility to ensure it stays this way.

Vehicles

4WD tours are operated in custom-built, 21 seat 4WD trucks with a PA system and built-in storage (no risky trailers!). These comfortable, strong remote area vehicles allow our small groups extra space (including standing room), are fully air-conditioned and fitted with adjustable air-vents, reclinable seats, map pockets and footrests. It is important that when booking a 4WD outback adventure in the Kimberley, you understand that the roads we travel on can be heavily corrugated. Rest assured, these are the conditions for which our 4WD trucks are designed.

Power & Phone Reception

Telstra users will get phone reception in most towns and the occasional remote hot spot. There will be long stretches where we are out of phone range. Power points will be accessible on most nights for recharging cameras and other electronic equipment.

Travel Insurance

It is essential that you have travel insurance that covers medical expenses, including emergency repatriation. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects.

Alcohol

Alcohol is not provided. Travellers may bring a personal supply from Broome if desired - preferably no glass bottles as wine cannot be purchased in Broome. Enroute, alcohol can be purchased in some locations. Note: alcohol restrictions are in place throughout the Kimberley.

Climate

The Kimberley has a Wet Season (DEC to MAR) and a Dry Season (APR to NOV). During 'the Wet' most 4WD roads and National Parks are closed. Our tours operate during 'the Dry', when it can get surprisingly cold overnight, depending on where you are - in Broome it can get down to 12°C, while in Purnululu, it can fall as low as 5°C! During the day, we usually enjoy 28 to 30°C. Note: in September and October, as 'the Wet' approaches, temperatures increase accordingly and it can be very hot during the day. It is essential that you are prepared for this - ask our office for advice prior to booking.
